

Farewell Shanty

ifs time to go now
Haul away your anchor
Haul away your anchor
ifs our sailing time

Get some sail upon here
Haul away your halyards
Haul away your halyards
ifs our sailing time

Get here on her course now
Haul away your foresheets
Haul away your foresheets
It's our sailing time

Waves are surging under
Haul away down Channel
Haul away down Channel
On the evening tide

When your sailings over
Haul away for Heaven
Haul away for Heaven
God is by my side

It's time to go now
Haul away your anchor
Haul away your anchor
It's our sailing time
