Lernt his trade an a Chinese junk
He spent his most time sir in his bank..

The Chief mate's name was Dicky Green sir
The dirties beggar ye've ever seen sir
Walkig his poop wid a bucko roll
May the sharks have his body an' the devilk his soul..

The Ebenezer was so old sir
She knew Columbus as a boy sir

To help her git from

For break'f'st dinner an' for supper
